Uvex Pheos collection

The modern, fashionable design of the uvex pheos safety spectacle makes it ideal for everyday wear in the industrial workplace. In addition to an attractive design, this safety spectacle incorporates highly innovative technology: the core component is the **duo-spherical lens**, which not only offers a wide field of vision but is extremely **scratch-resistant** on the outside and **permanently anti-fog** on the inside thanks to uvex's unique coating technology.

Black/Lime Green Frame
Clear Lens
Ref: 9192-225

Black/Grey Frame
Grey Sunglare Lens
Ref: 9192-285

Black/Yellow Frame
Amber Lens
Ref: 9192-385

Light Grey/Grey Frame
Silvermirror Lens
Ref: 9192-881

Features:

- Scratch-resistant and anti-fog. The supravision HC-AF coating technology makes the uvex pheos lens highly scratch resistant on the outside and permanently anti-fog on the inside.
- Provides 100% UV protection.
- Optimal eye coverage. The duo-spherical lens has additional curvature at the upper edge providing an integral brow guard for additional coverage.
- Enhanced ventilation.
- High performance hinges.

 *Automatically compresses harmful impulses & continuous noises to a safe hearing range below 85dB
 *EN352-1, EN352-4 **SNR: 28dB**
 *Enhances low level sounds

Please allow approx 7-10 days for delivery

Please allow approx 7-10 days for delivery

- *Soft PU orange expandable foam
- *EN352-2, SNR: 36dB
- *Tapered bullet shape design
- *Excellent comfort & fit
- *200 pairs per dispenser box
- *10 x 200 per case

EARZ economical high attenuation foam earplugs are manufactured from a soft sound absorbing PU orange foam. The special open cell structure of the foam allows the plugs to roll down easily and then expand gradually and so conform exactly to the size and shape of virtually any ear canal providing maximum hearing protection and all day comfort.

Ref: EPF36

- *Soft PU orange expandable foam
- *Blue vinyl cord
- *EN352-2, SNR: 37dB
- *Tapered bullet shape design
- *Excellent comfort & fit
- *200 pairs per dispenser box
- *10 x 200 per case

EARZ economical high attenuation foam earplugs are manufactured from a soft sound absorbing PU orange foam. The special open cell structure of the foam allows the plugs to roll down easily and then expand gradually and so conform exactly to the size and shape of virtually any ear canal providing maximum hearing protection and all day comfort.

Ref: EPFC37

METAL DETECTABLE

- *Soft PU blue expandable foam
- *Blue detectable cord & earplugs
- *EN352-2, SNR: 37dB
- *Tapered bullet shape design
- *Excellent comfort & fit
- *200 pairs per dispenser box
- *10 x 200 per case

EARZ economical high attenuation foam earplugs are manufactured from a soft sound absorbing PU blue foam. To ensure the earplugs are fully detectable, metal is embedded into the cord and earplug. Ergonomically shaped design for use in the food manufacturing industry, or where contamination needs to be considered.

Ref: EPDC37

EAR PROTECTION

- *Soft PU orange expandable foam
- *EN352-2, SNR: 37dB
- *Tapered bullet shape design
- *Wall mountable(fixings included)
- *Easy to use
- *Durable plastic dispenser
- *Catch basin prevents earplugs falling out
- *Rotate & unscrew bottle for easy refilling
- *500 pairs per dispenser bottle
- *4 per case

EARZ economical high attenuation foam earplugs are manufactured from a soft sound absorbing PU orange foam. The special open cell structure of the foam allows the plugs to roll down easily and then expand gradually and so conform exactly to the size and shape of virtually any ear canal providing maximum hearing protection and all day comfort.

Ref: EPFD37

Economical choice for dispensing earplugs

- *Soft PU orange expandable foam
- *EN352-2, SNR: 37dB
- *Tapered bullet shape design
- *Excellent comfort & fit
- *Compatible with EPFD37 dispenser
- *Supplied in plastic resealable bag
- *500 pairs per bag
- *10 x 500 per case

EARZ economical high attenuation foam earplugs are manufactured from a soft sound absorbing PU orange foam. The special open cell structure of the foam allows the plugs to roll down easily and then expand gradually and so conform exactly to the size and shape of virtually any ear canal providing maximum hearing protection and all day comfort.

Ref: EPRD37

Dispenser station refill pack

- *Soft yellow pointy pods
- *EN352-2, SNR: 21dB
- *Blue banded flexible design
- *Lightweight
- *Excellent seal and comfort
- *Can be hung around the neck
- *40 per dispenser box
- *10 x 40 per case

EARZ economical lightweight comfortable banded earplugs an alternative to earplugs or earmuffs. **EARZ** banded earplugs have a durable plastic headband that flexes to adjust for jaw and head movements when worn this ensures the earplugs stay in the wearers ears. **EARZ** banded ear plugs can be worn under the chin or behind the head. The arms pivot for maximum comfort. Suitable for intermittent wear as the earplugs do not need to be rolled to be fitted allowing easy insertion.

NEW

METGUARDZ

PROTECTING YOUR FEET FROM METATARSAL INJURIES

Introducing our NEW economical metatarsal footwear attachments - "MetGuardZ"

MetGuardZ are designed to protect the metatarsal areas of the foot by simply securing with existing laces and then by attaching the lip of the protectors to the top of the steel cap at load point, providing protection for the Metatarsal region. MetGuardZ are designed to protect the upper foot from metatarsal injuries, by deflecting the impact of falling loads and spreading the impact load. MetGuardZ are suitable for all safety shoes and boots and offer a more comfortable, cost effective solution for protecting your metatarsal's from injury!

Typical applications include: Construction, Warehousing, Manufacturing, Utilities, Steel Industries, Forestry, Transport plus many more....

Ref: TOE.METGUARD

- *Lightweight & durable non-conductive polycarbonate
- *Conforms to European safety standards: ISO 20345:2004 (Clause 6.2.6), ISO 20344:2004(Clause 5.1.6)
- *Comfortable & Practical
- *Excellent Value
- *Easy to attach
- *Suitable for all types of safety footwear
- *Versatile
- *100 pairs per carton
